

HOW TO MEASURE
THE **HEIGHT** OF THE FOOT

1 > 2

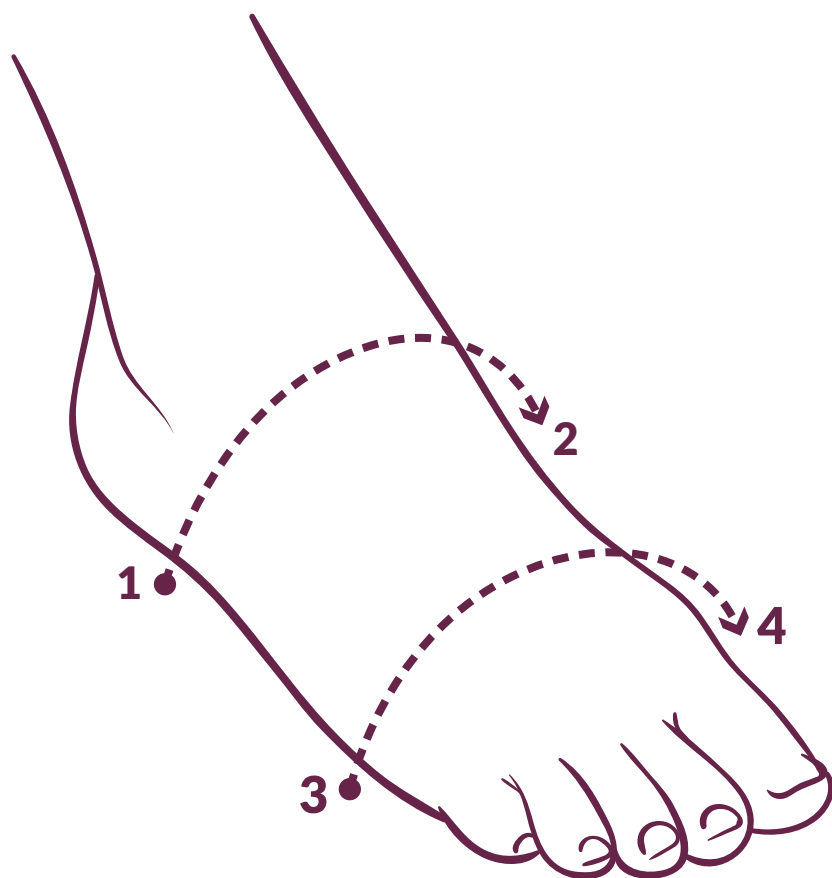

MEASUREMENT
INSTEP

Measure the circumference of your neck using a tailor's measuring tape, starting from the lateral base of the bare foot placed on the ground, at opposite base. Position the tape measure lightly under the ankle.

3 > 4

MEASUREMENT
MIDDLE COLLAR

Measure the circumference of your neck intermediate with tailoring measure, starting from the lateral base of the bare foot placed on the ground, at opposite base.
